

Nature Weekend at Bremer Sanctuary

Join us for 2 great events.....September 21 & 22

On Sept. 21....LLABB Bird Banding Demonstration--Tony Rothering, a licensed bird bander, will be capturing and banding birds from 8:00-noon. Participants will learn about the scientific process of banding and how the data collected is used. Susan Shaw will be on hand presenting “Be a Bander”, a children’s program whereas kids can extract plush birds from a mist net and learn the process of banding.

Bring a lawn chair, program is continuous, so come anytime from 8-12, with snacks served.

“All About Trees”

Children & Family Program on Sept. 22, 1:00-3:00pm. Leisurely hike on the Bremer Timber Trail and discover the many different trees on the property. Examine many leaves and seeds, play an educational game, make a take home craft and enjoy a snack.
